ADMINISTRATION

THE BOARD OF EDUCATION

The work of the Board of Education is reflected in every phase of student life. The educational plan evolved by these civic-minded men must be adequate for the present and must provide for needs not yet felt by the average citizen.

These men bring to Maine years of successful experience in dealing with situations requiring the same high integrity and objectivity which go into the solution of educational problems.

The present building program moving to completion on an accelerated schedule is the culmination of planning and supervision which has required an unusual amount of personal effort on the part of each member.

As students we are particularly aware, at this time, of the very significant contribution you are making and we extend to you that respect deserved by those who work for the common good.

H. D. ANDERSON

Superintendent

Somehow Mr. Anderson planned the year so that the distractions of the building program were kept to the very minimum. During his five years here, he has led hundreds of Mainites to feel as he does that "If it's at Maine, it must be good."

THE MAIN OFFICE

DR. ELMER F. STOLTE
Assistant Superintendent

Through his friendly and helpful advice Mr. Stolte has won the respect of everyone. His keen interest in the welfare of students results in that personal contact which enhances their education and makes problems easier to solve.

The main office is responsible for all business transactions, bookkeeping, making up payrolls, and for all secretarial work for the Board of Education, the superintendent, and the assistant superintendent.

The bookroom, in connection with the main office, collects all fees, issues textbooks, and sells academic and athletic supplies.

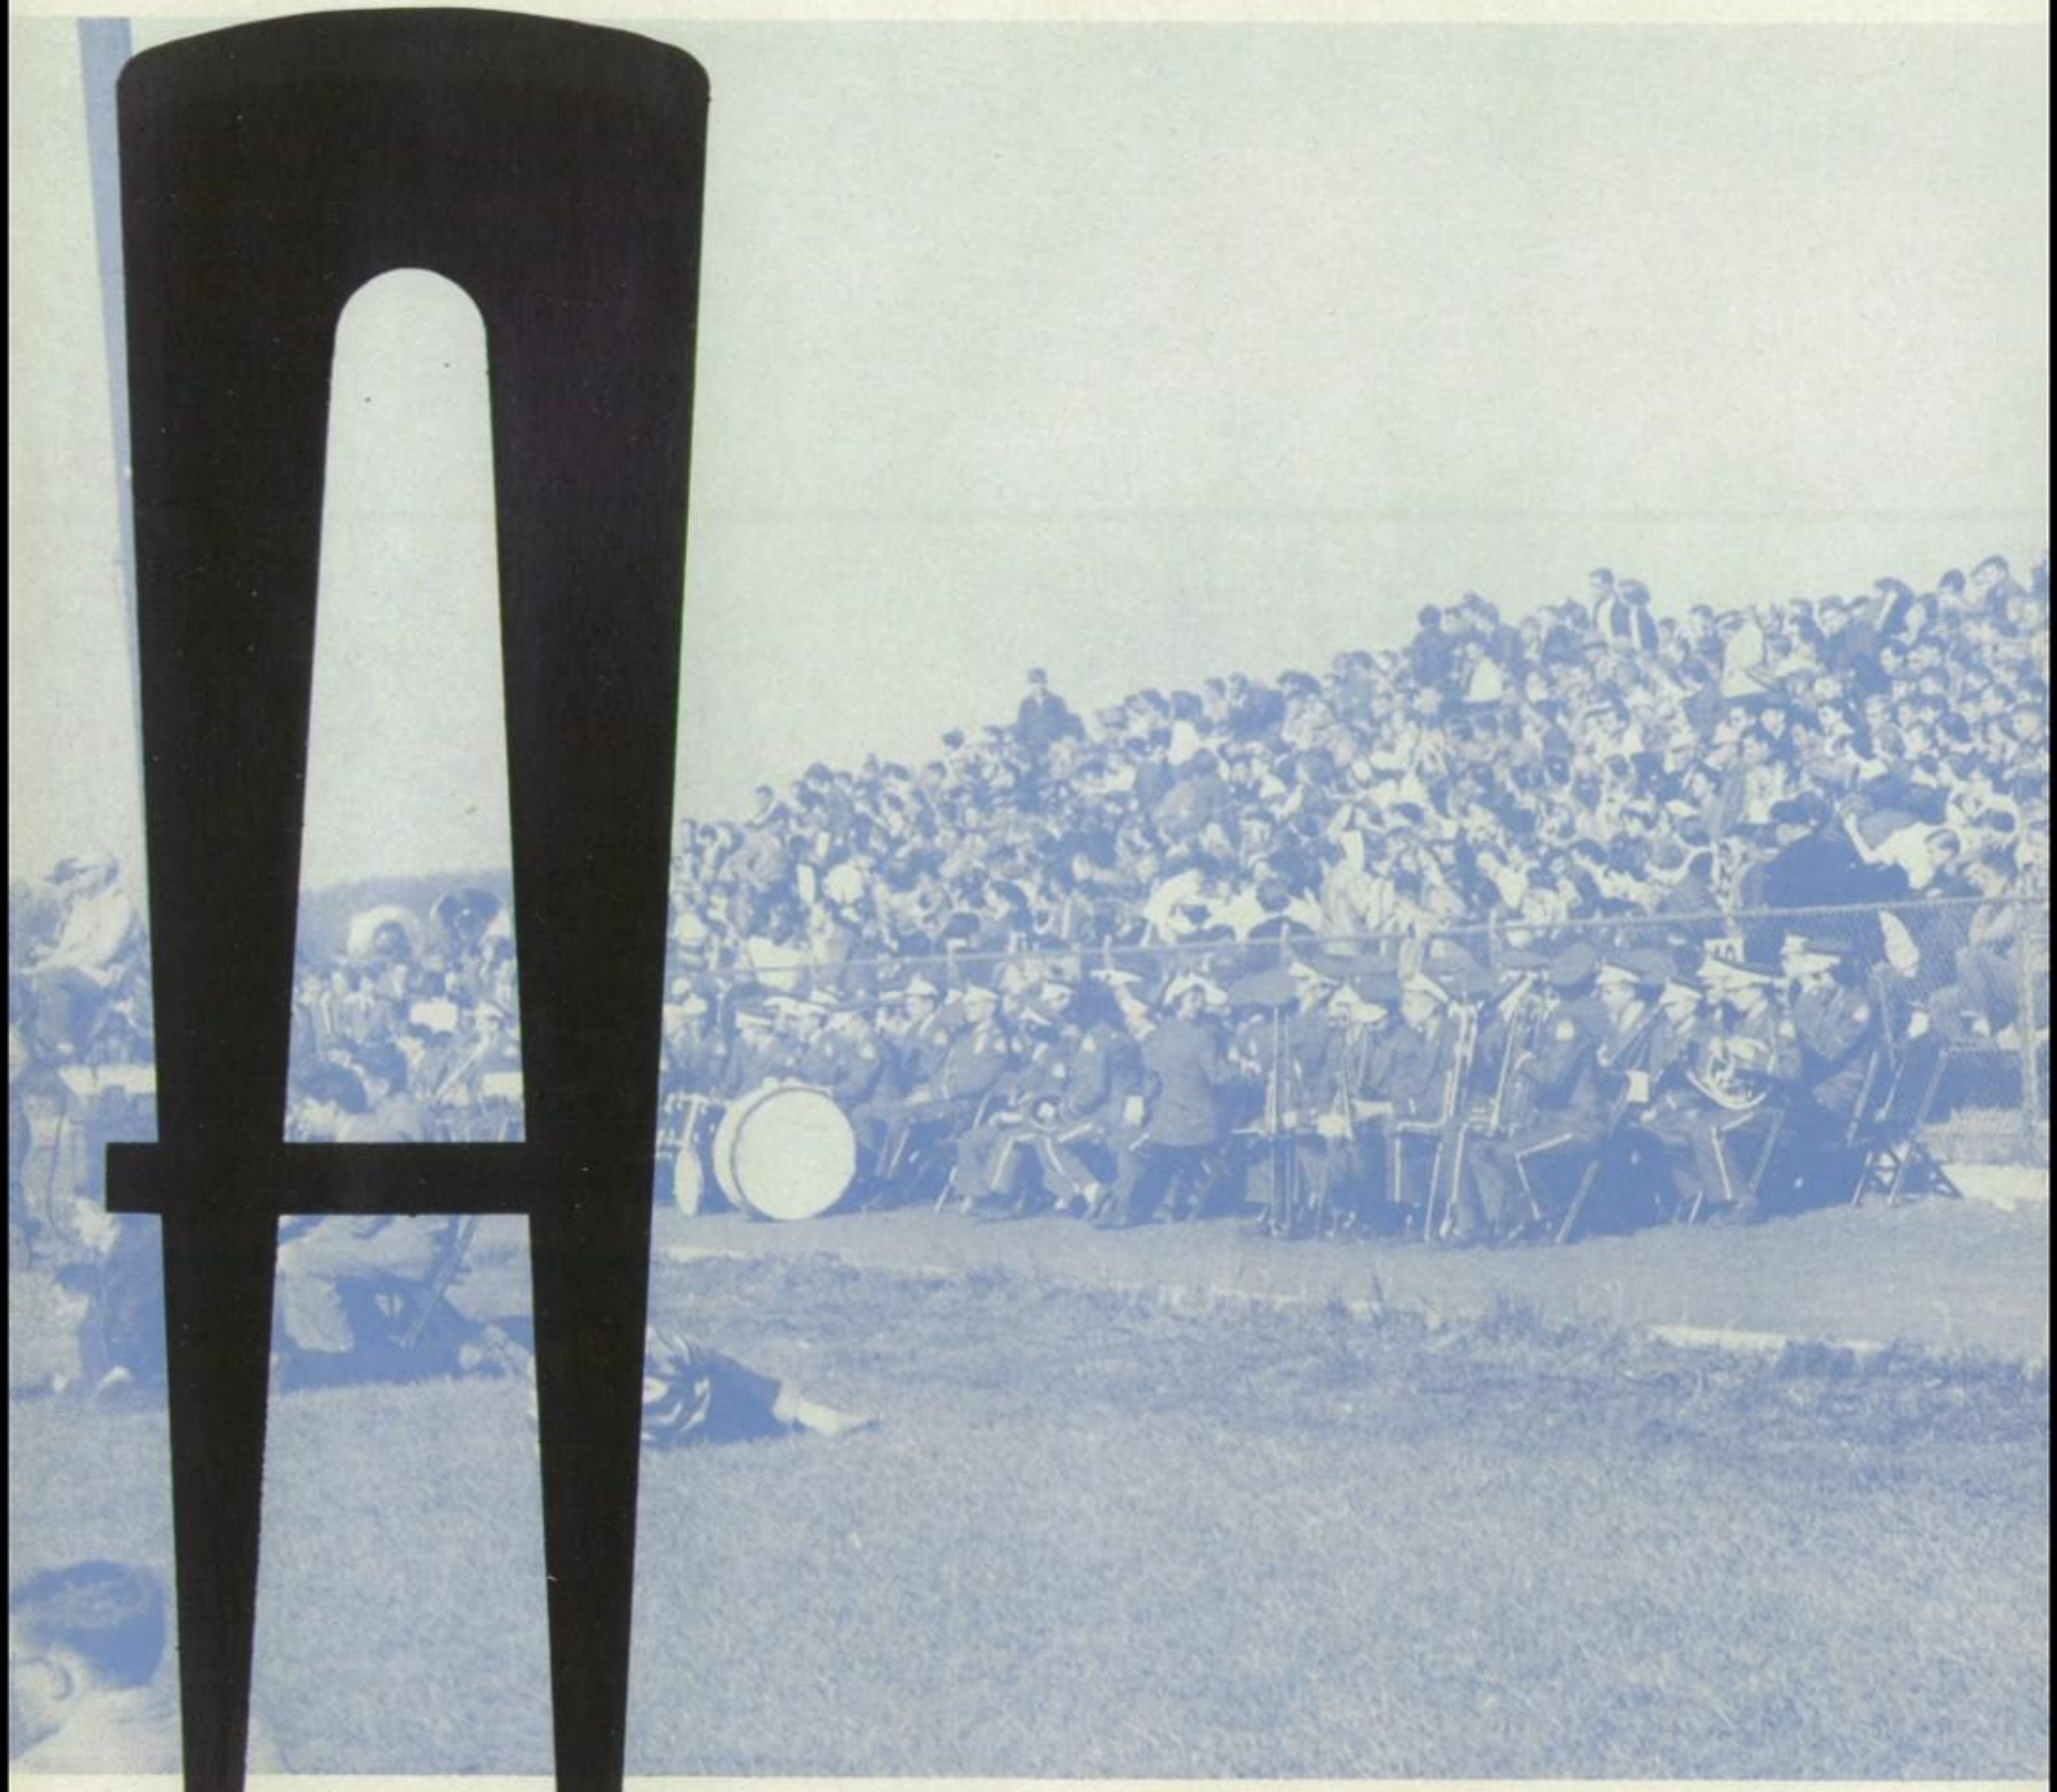
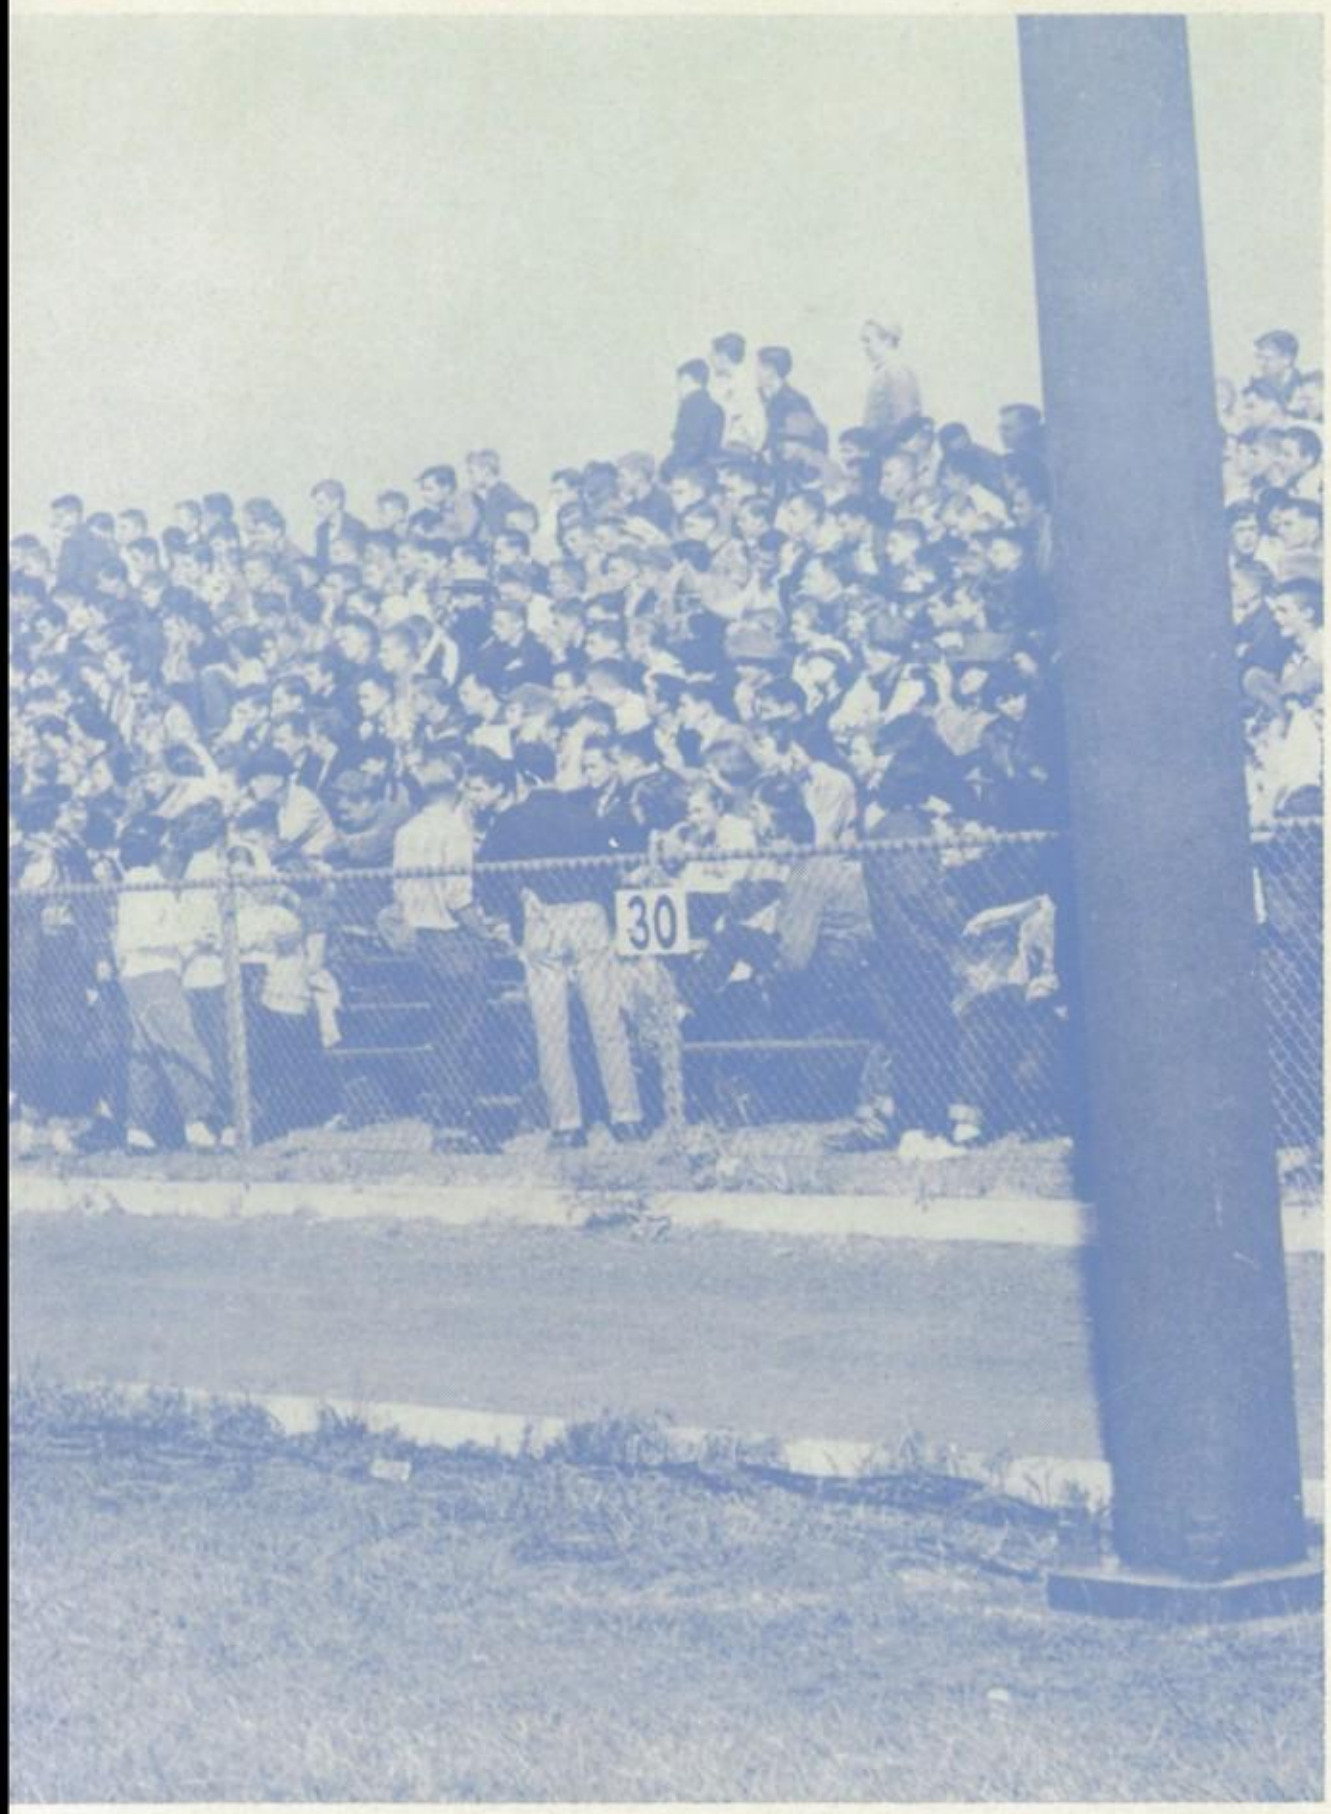
This year TB X-rays were provided for all students besides the annual eye examination, and dental survey. Pictured are Mrs. Phar and Mrs. McGrath.



Activities . . .



This crowd of Mainites is anxiously watching the annual Maine-La Grange football game.

This sport is only one of more than 45 extra-curricular activities in which Maine students may participate. Eight major sports and intramurals are offered to the boys. Girls hold their own in the Girls' Athletic Association.

Besides an exceptional marching band and orchestra, Maine also has the first chapter of Modern Music Masters.

Mainites interested in the journalistic field may merit staff positions on the *Lens* or the bimonthly paper, the *Pioneer*.

There are also 35 clubs dealing with almost every interest of the student body.

SPORTS, MUSIC, ORGANIZATIONS, and PUBLICATIONS

Mr. Harley, Mr. Kuite, and Mrs. Foster.

MUSIC

Students throughout their four years try to find time to participate in the many organizations in the Music Department. They find it one of their most enjoyable experiences at Maine.

Under the direction of Mr. A. M. Harley, who has been with the Music Department for 23 years, the Music Department presents the Messiah, the Annual Band Concert, and the May Music Festival and many other outside performances. Mr. Harley directs the Senior A Cappella and the Concert Orchestra. Mrs. Foster, new to the Music Department this year, directs the Girls' Glee, Junior A Cappella and the Boys' Glee Chorus. Mr. Kuite, who has done excellent work in instructing the Marching Band, directs the Concert Band and the Cadet Band.

This year one of our Mainites, Claire Fry, sang the soprano solo. This is the first time that a student has sung a solo part with the professional singers. The presentation of the Messiah was very successful.

SENIOR CLASS PLAY

The play presented this year by the Senior Class was "Hay Fever" under the direction and guidance of Mr. Dwight Thomas from the Drama Department. Because of the many weeks of rehearsing, costuming, painting and publicity, the play proved to be successful. The Drama Department furnishes talent for the Variety Show and the exchange assemblies.

HILL'S A POPPIN?

PIONEER

The *Pioneer* staff is chosen for initiative and responsibility. This year there are seventeen seniors on the staff, with thirty-four "J" class members assisting them. Seventy-two homeroom reporters bring in the news of their classmates. The staff receives no academic credit. Their compensation is the satisfaction they feel as they see a creditable paper emerge from their hard work.

This season, as always, we must let the record speak for itself. It was a powerful Maine eleven who, with that same number of returning lettermen, combined skill and teamwork to smash to victory over all opponents but one — La Grange. However, the Demons' fighting backfield and mighty line added up to one of the finest teams Maine has ever had on her gridiron. The highlight of the season was the final game in which Maine roared over Riverside-Brookfield by a score of 77-13. It was in this game that halfback Bruce Gallup, by scoring 96 points for the season, broke George Fisher's former record of 80. When the all-conference team was named, Maine took top honors with six players. Honors were also bestowed upon the Demons as tackle Wayne Moeller and halfback Bruce Gallup made the *Daily News* All-State team. Gallup was also named the most valuable player, while Clem Ryan received the honorary captain award.

The Frosh-Soph team, under Coaches Gates and Kirby, tied for second place in the conference by winning five and dropping two of their games. All in all, it was a great season; a season in which physical prowess stood side by side with good sportsmanship.

It was one of the strongest varsity basketball squads Maine has seen in several years which battled its way to a third place tie in the West Suburban Conference. Sparked by Lee Matsch and Marv Nyren, the quintet hit for a conference record of seven won, seven lost. Although losing five of their first six games, the Demons went on to score a final mark of seven wins and eleven losses. As the season went into its final stages, Maine became one of four teams tied for the number three spot in the conference, but finally broke ahead of the others by winning several decisive games. However, the Demons lost their last conference game of the season to Riverside by a score of 61-53 to tie with that team for third place. Maine then entered the Arlington Heights Regional Tournament and easily defeated Greyslake 69-46 in the preliminaries. The cagers went on to trounce Libertyville 77-61 in the semi-finals. Once in the finals, however, disaster struck the quintet as Barrington downed them 77-60.

At the close of the season, the Demons held many honors. Matsch's 275 points and Dick Steiner's 233 were good enough to take fourth and fifth in conference scoring. When the all-conference team was named, Matsch and Steiner placed, with Marv Nyren taking an honorable mention. At the winter sports banquet, Matsch was awarded the honor of most valuable player, while Nyren was named honorary captain.

The Frosh-Soph, under the excellent handling of Coach Olson, produced a season record of nine wins and nine losses. In conference play they hit for eight and dropped six.

L SPORTS

The intramural sports program was again carried on extensively at Maine for the sixth consecutive year. Under the supervision of Coach O. K. Wilson, intramurals are designed to give the boy who is not good enough to make a varsity squad a chance to compete in sports and even win a letter. Letters are awarded to boys placing in an individual event or playing on a winning team. This year the program consisted of eight sports. Fall sports included cross country, football, and golf, while basketball, swimming, and track were on the winter schedule. The spring sports, volleyball and softball, rounded out the year's competition. Mr. Wilson, as director of the program, can truly be proud of his excellent record.

Weightlifting, although not an intramural sport, was extremely successful this year, largely due to the efforts of Mr. Joseph Paul.
